Dear Parent/Carer

## Re: Sports Clubs/Training Sessions

I am writing to advise you that this half-term, the school will be resuming the normal Sports Club timetable, using both indoor and outdoor spaces/facilities. (If clubs are held indoors, all windows and doors will remain open to ensure adequate ventilation.) As previously to ensure the safety of pupils, each year group will be allocated a separate space, with the PE Team in attendance to ensure all COVID protocols are followed.

Please see details below of sports clubs/training sessions and note the finishing times when pupils are expected to attend Prep, be collected, or make their own way home (please indicate your preference on the permission slip below). **A schedule of all the various clubs available to your child is also set out on the back of this letter.**

Changing room facilities will **not** be available for the **morning sessions** and pupils are **not** required to wear their PE kit, but should bring trainers only. For the **after school clubs/training sessions**, changing rooms **will** be available. It would also be advisable if you could provide your child with refreshments/water for these sessions.

Whilst writing, I would remind you that should your child have any medical needs, please make sure he/she informs the PE teacher in charge and brings his/her appropriate medication.

If you would like your child to participate please complete and sign the permission slip below and return to me as soon as possible.

Yours sincerely
