HW/CSP

26th February 2020

Dear Parent/Carer,

'Salters Festival of Chemistry'

As a reward for their excellent behaviour and effort in science this year, your child has been invited to be part of a team of four students, representing our school at The Salters' Festival of Chemistry at **London Metropolitan University, 166-220 Holloway Road, London, N7 8DB on Tuesday 31st March 2020.**

The festival is designed to inspire budding young scientists. Four students from our school will work together to complete two practical challenges with prizes awarded to the winning teams! In the afternoon there is a fun lecture followed by a prize-giving with fun prizes and certificates for all.

Your child will experience:

- Exciting hands-on practical Chemistry challenges in a university laboratory;
- A laboratory environment, carrying out investigations 'like a real Chemist';
- Team working and independent problem solving;
- Amazing chemical demonstrations.

Pupils will leave school at 8.30am (accompanied by a teacher), walk to Wood Green underground station, and from there will travel via public transport to Holloway Road station. We will return to Wood Green Station at approximately 4:15 pm, from where pupils will be dismissed, and should either be collected, or make their own way home. (Please indicate your preference below.)

The cost of the day will be covered by the school, however, pupils should bring a packed lunch and an Oyster card with enough funds for return travel to Holloway Road station. For those pupils who are entitled to free school meals, a packed lunch will be provided by the school.

Should you wish your child to take advantage of this wonderful opportunity, **please complete and return the reply slip to me by Wednesday, 4th March 2020.** In the meantime, should you require any further information, do not hesitate to contact me.

Yours sincerely,

E. Howard

Miss E Howard

Teacher of Science

Head of Year 8

Please return this reply slip to Miss Howard by Wednesday, 4th March 2020.

Pupil's name: Form:

I give permission for my child to attend **The Salters' Festival of Chemistry** at **London Metropolitan University** on **Tuesday 31st March 2020.**

I give permission for my child to be photographed during the event. Yes No

I will collect my child from Wood Green Station at 4.15 pm.

My child has permission to make their own way home from Wood Green Station at 4.15 pm.
