Dear Parent/Carer

Re: Year 10 – Additional Lessons

I am writing to advise you that in preparation for the mock examinations throughout this year and the BTEC and GCSE examinations in 2021, we are running additional lessons for the whole of Year 10, which start from the week commencing **Monday, 14th September 2020**, and run from **3.10pm – 4.10pm**.

Details of the extra lessons that your child will receive are set out below:

- Monday: In the first half-term, half of the Year group will have RE and the other half of the Year group will have PE. This will rotate on a half termly basis.
- Tuesday: All pupils will have an additional Maths Lesson.
- Wednesday: All pupils will have an additional English Lesson.
- Thursday: All pupils will have an additional Lesson for their Option D subject (all pupils will be completing their option D subject in the 2021 Summer Series GCSE/BTEC Examinations).
- Friday: No additional lessons.

It is also advised that in addition to the extra lessons detailed above, all Year 10 pupils may be required to attend school on a Saturday or throughout the holidays. (These timetables will be given to pupils separately.)

Please note, **ALL** additional Saturday lesson timetables are available on the school website. These extra lessons are extremely important, and it is essential that you encourage and support your child in terms of his/her attendance.

Whilst writing, I would like to thank you for your continued support, however, should you require any further information, or clarification, please do not hesitate to contact me via:

Yours sincerely,

T Warriner
