

Dear Parent/Carer

RE: BTEC Level 2 - Externally Assessed Units in February 2021

Please be aware that all scheduled BTEC level 2 Externally Assessed Units that were due to take place in February 2021 have been cancelled.

The Secretary of State for Education, Mr G Williamson, wrote in his letter to OFQUAL stating the following:

“However, given the further disruption, for all other Vocational/Technical Qualifications with written exams scheduled in February and March (including BTECs and other qualifications included in performance tables) it is no longer viable for these exams to go ahead. Views on alternative arrangements for these qualifications should be sought in the consultation”.

At present we are waiting for confirmation as to what the process will be in May/June 2021 for all vocational qualifications. Please be assured that as soon as this information is confirmed we will contact you with further information.

If in the meantime if you require any further information, please do not hesitate to contact me.

Yours sincerely,

Ms Warriner

Deputy Headteacher
