Dear Parents and Carers,

Year 10 Work Experience

Unfortunately work experience cannot go ahead in its normal format this year due to Covid. Even before the current lockdown, our work experience partners EBA advised that just 11% of employers felt confident that they could support a student work placement this year, given present challenges with staffing and social distancing.

However, we intend to put in place a safe and suitable alternative within school as soon as it is possible, that will still allow your child to learn about the workplace and develop essential employability skills.

Kind regards,

Mr Ruggiero
Careers Leader
