Executive Headteacher: Mr Martin Tissot, MA, MBA, NPQH

29th April 2021

Dear Parent / Carer

The second 'assessment window', where students will take formal tests based on examination board materials, will commence on the 13th May. Assessments taken under high control conditions will help to provide further evidence to support the grade given to the students. As with the first assessment window, these will be shorter than the full exam papers that would usually be taken. Attached is the timetable for these assessments.

Topic lists have been discussed with students in their lessons so that students have a clear idea of what to prioritise for revision, this should enable them to focus their studies. A full set of topic lists is attached for your information.

We are grateful for your continuing support throughout this period.

Yours sincerely

Alex Rosen
Acting Head of School

Acting Head of School: Mr A Rosen BSc NPQH
