Dear Parent/Carer

Re: Geography Fieldtrip – Form 8KL1
Tower Bridge – Tuesday, 24th March 2020

The Geography Department has organised a fieldtrip for pupils of **Form 8KL1** to **Tower Bridge** on **Tuesday, 24th March 2020**.

The day will provide pupils with an excellent opportunity to view the Thames and environs from Tower Bridge and enable them to understand how the river has shaped the past successes of London. The Thames River is the life-blood of our city, and pupils will be able to see how the Victorians harnessed the latest technology thus allowing London to keep its commercial edge.

The cost of the trip and fares is free.

Pupils and teachers will leave school at 9.10 am and travel by bus/tube to Tower Bridge. We will return to Wood Green Station (again by public transport) at approximately 3.00 pm where pupils can either be dismissed and make their own way home, or be escorted back to school premises and be collected from there. (Please indicate your preference on the slip below.)

Pupils are expected to wear full school uniform. Please also bear in mind, as the trip will be in March it may be cold and damp along the river, therefore pupils should bring a warm scarf, and hooded coat/jacket that is in line with the school uniform policy. **(NB pupils should also bring pencil case and notebook.)**

Please ensure your child brings a packed lunch/drink for the day. If your child qualifies for free school meals, a lunch will be provided by the school.

Whilst writing, I would remind you that should your child have any medical needs, please make sure he/she informs the teacher who is in charge and brings his/her appropriate medication.

To secure your child's place on the trip, please complete the attached consent form and **return to Ms McEwan, Geography Department, by Friday, 31st January 2020**

Yours sincerely

F. McEwan
