MACHINAL – EXPRESSIONISTIC SET DESIGN BOOKLET

“**Expressionism** tries to convey emotion and meaning rather than reality”

Instead of trying to be realist like realism or naturalistic plays, expressionistic stage design is abstract, bizarre, and tries to resemble the state of mind of the protagonist.

Expressionistic Design Ideas – Inspiration

Task: Annotate in detail what is expressionistic about each design. Use subject specific terminology.

George H. Jon
mpany

Design Task: As a designer, design each episode of Machinal with an Expressionistic influence. Annotate using subject specific terminology.
